

That's the spirit!

The run up to Christmas is a key selling time for any busy café. You don't need to introduce lots of new lines, just think about how you promote them, and make sure you don't feature too many different drinks at once. It's a time for fun, trying something new, and indulging.

Wooden Spoon Festive Fruit Muffinloafs

Lighter than traditional Fruit Loaf, these individual packets of festive cheer go perfectly with a cuppa. Brandy soaked vine fruits and candied cherries are baked into a lightly spiced sponge, topped with flaked almonds and sweet snow.

DWSFESLO 30 muffinloafs per pack £19.80*

Timorous Beasties, Double Wall Paper Cups

Give your customers a little piece of art to hold in their hands. Our festive design has stood the test of time, and we've brought it back for one more year. Looks good with either a white or black lid.

DSEASCUP 600 per pack £49.95

Candy Canes

Strawberry flavoured candy canes add a splash of colour to your counter. Individually wrapped and perfect displayed in an empty biscotti barrel.

DCANDY 24 canes per pack £11.75

Christmas Tree Stencils

Simple but effective hardwearing metal stencils. A big hit for the last two years.
